

Ambulatory Surgical Centers

FLOAT POOL

- The HealthONE Ambulatory Surgery Center Float Pool is looking for talented Peri-Operative Nurses, Peri-Anesthesia Nurses, GI Nurses, Surgical Technicians, Patient Care Technicians, and Radiology Technicians.
- Join an elite group of experienced staff supporting various staffing needs in multi-specialty service lines throughout the system.
- A minimum of 2-years experience in the acute care setting is required to apply for our full time, part time, and per diem employment opportunities.
- Competitive hourly rates are offered. Per diem staff can pick from one of two options to best accommodate travel when floating to facilities.

If you know a person who would be interested, please contact Suzi Prentice, Float Pool Manager at (720) 387-6620 or Shannon.Prentice@HCAHealthcare.com
